(One Verse)

Remix, Rewind, Recall...

I'm often asked, "Why your Bible look like it's falling apart?"

It's cause I got to get that Word deep down in my heart

they ask, "Why your Bible look like it's needing some glue?"

It's cause care and try to share it with the multitudes

Especially with them grimy dudes on the corners in the urban sitting I know

the Bibles, not the oldest writing ever written before

the Jewish nation there were hieroglyphics hidden

so why, endorse the Bible its reliable and holy

Full of mad prophecy, sad, glad, poetry

math, (ho-etry = **prostitution/harlotry**), philosophy, astronomy, look

it's not a history or mystery book, but a historical and oracle look

of God's redemptive work with sinners, and crooks

Kings, thugs, queens never will I trust man ever

but can trust God's plan man

His words, in the words, of 40 men inspiration, God-breathed information

autographs in Hebrew, Aramaic, and Greek

Obey it and keep His sayings I'm trying

Torah, Nethubim, Kethubim New Testament

thirty-nine, twenty-seven, sixty-six, fifteen centuries

one consistent theme Jesus came to redeem is what I represent

Yawl pause when I bust this and yawl Paul's writings can be trusted

the Mormons, Muslims, and (J-Dubs = **Jehovah Witnesses**) speak of and think of

the Bible as a witness

but they don't get this that it is the witness

The cannon was fanning closed complete

understand it poppy, hand copy circulation shows dedication

preservation years before the printing presses innovation

transmitted translations we ran with it

Duplications bridge the gap between all languages

there's no perfect translation,

use whichever you want

none are so faulty that they would lead you from salvation

Interpretation affects application

teaching the Bible if you're not a Christian disciple's limitations

hermeneutic violations occur without study grammar

so why you huddling, rebuttaling, when you ain't checked the pieces in the puzzle

man?...
