(One Verse)

The pioneers are back up in the habitat
concrete jungle with the underground thunder number one underneath the street hustle
rap, but I ain't got to hustle cats with hip-pologetics
the truth and proof will cut you like a lumberjack
Jesus lives remember that dig it critic, like some ancient artifacts
He resurrected like some classical Adidas
religions that came before and after Him are insane liars
If Jesus Christ didn't resurrect we best retire
But I ain't sixty five but even if I was wouldn't
there ain't skeptic alive whose theory could cause
a career ending injury or misery yawl
cause Christianity is built on a foundation that's so amazing
That's why I rhyme with the zeal of a zebra
On a motorcycle running from a cheetah hunting
Chalking up victories spiritually leaving false teachers seeing
more stars than astronomy preparing for the second coming
Jesus...sinless but sought
snitched on, betrayed, teased, triple teamed and caught a case
innocent sentenced with no parole He's innocent
falsely accused like most minorities and Richard Jewel
They nailed Him up, stood Him up, hooked Him up between two felons
Guilty! Is what the crowd kept yelling
His death attracts mad heads Urban D, Mark J, and Haskell,
Street Sweep, Elle Roc, and Lil' Raskull
Shouts out to the peeps that trust my Dawg
Without shed blood there'd be no forgiveness at all
Some people like to work but they need to get up on it
And just trust Christ not their performance, performance yawl
On and on the body was gone come on
He really died He never passed out to later revive
The government lied, the government bribed the po-po
To say, "the body was stole" before the news spread that Jesus rose
From the dead and the door the disciples were framed
But if they had the body man they died in vain a shame
nice try skeptics, Why yawl doubt the lamb?
Bush is the Pres, but we voted for Billy Graham man

Jesus really resurrected check it here's the proof inspected
they never found the body the tomb was empty rep it
its funny but I'm sick of this ridiculous
that people keep doubting though He appeared to eyewitnesses
Thrilled, chilled their hearts were fulfilled ill
they thought they saw a ghost He said, "Touch me" I'm the real deal
arguments get weaker every Easter so tell me how you feel
like Barry Sand ran two grand, Jesus Christ is the man still...Jesus...Lives
